Cross Reference

CHILISIN ELECTRONICS CORP.
Total Solution Provider for EMI, Power and RF.

About the Cross Reference Table

- ✓ **Chilisin's cross reference is considered as compatible products against competitor's series P/N which begin with or content letters as advised.**
- ✓ **As there could be various dimensions in each series. Please check our catalogue and see if there is equivalent size you demand.**
- ✓ **Please evaluate our alternative inductor before mass production.**

Crossed reference are limited to Chilisin's SMD standard type. If items are not available in the list. Please contact sales@chilisin.com.tw for further assistance.
